TITLE: EMPTY CONTAINER MANAGEMENT - MORTUARY SCIENCES
DEPARTMENT

Regulatory Citation: Not Applicable

Applicability: Empty containers generated by activities at the Mortuary Sciences building.

Purpose: To ensure that empty containers are managed properly.

Person or Department Responsible: Chair of Mortuary Sciences department, also the coordinator of Environmental Health and Safety, Assistant Physical Plant Director

Schedule: As needed

Procedure: All drainable liquids must be removed from the containers. All labels must be removed from the containers. If possible, empty containers shall be returned to the container supplier. Prior to transport off-site the container must be stored inside. However, if containers must be stored outside they must be stored with their lids sealed tight. If lids are not available then the containers must be stored on their sides to prevent the accumulation of rainwater. Non-returnable metal containers will be placed in the scrap metal dumpster.
