This publication provides a listing of all course sections planned for Summer 2017. Some courses are curriculum-specific, and therefore are only open to individuals matriculated in those majors. All course information is subject to change.

If you are registered for more than one Part of Term, your entire bill is due according to the due date of the earliest Part of Term. The college periodically drops the schedules of students who have not completed the payment process. This means the courses and sections you selected will no longer be reserved. Drop dates are noted within the above calendar. If you have already paid for courses in Parts of Term S1, S2, or S3 (courses that begin May 22) and add a Part of Term S4 or S6 course (courses that begin May 30 (S4) or July 3 (S6)), the course will not be dropped from your schedule for non-payment. You must contact the Registrar's Office to have the Part of Term S4 or S6 course removed; otherwise you will incur full tuition liability for that course.
