Athletic camps are sponsored by the Office of Community and Professional Education in partnership with the college’s Athletic Department.

The 2017 Summer Athletic Camps will provide an opportunity for boys and girls to acquire knowledge, develop interest, learn techniques and improve skills in a variety of sports.

All camps are under the direction of a head coach with a sufficient number of assistant coaches to provide low coach-to-camper ratios. Campers will be divided into groups according to age and ability.
