

Date Prepared 7/2004  
Prepared By P Watt  
Revised 5/18/05

**BMP EOC #7**

**TITLE: WELDING STICK DISPOSAL**

**Regulatory Citation:** 6 NYCRR Part 360

**Applicability:** Solid waste disposal.

**Purpose:** Ensure the proper disposal of waste welding sticks

**Person or**

**Department Responsible:** Program Coordinator, Asso. Coord. Of Business Services

**Schedule:** As needed

**Procedure:** On October 28, 2004, a sample of welding sticks were collected for analytical testing and determined to be non-hazardous. No special handling of the welding stick waste is needed and it may be disposed in the regular trash.

If there is a significant change to the welding stick alloys being used in the welding shop, the Director of Environmental Health & Safety should be contacted for additional testing and any wastes held until testing is completed.

**Record keeping:** analytical tests of wastes

**Record Location:** EHS - EPA files.

**Contact:** Director of Environmental, Health and Safety (629-7163)  
Asso. Coord of Business Services 273-1900
