How to view **Textbook Information** on Hudson Valley WIReD

In order to view textbook information for your courses, you will need a copy of your course schedule that contains CRNs (5-digit course reference numbers).

1.) Visit www.hvcc.edu and select "Student" from the "I am a…" menu at the top of the page.

2.) Click "WIReD - Register and Access your Records" link.

3.) Click the "Continue to WIReD Homepage" button.

4.) Click the "Class Schedule" link.

5.) Select the term for which you are enrolling and click the "Submit" button.

6.) Use the subject codes and numbers from your schedule to search for your courses (one at a time). For example, for ENGL 101, you would select "English" on the Subject menu and enter 101 in the Course Number box. Click the "Class Search" button at the bottom of the page.

7.) Search the list of returned courses to find the matching CRN (5-digit Course Reference Number) and click on the "View Textbook Information" link once you have found it.

8.) Follow the link to view textbook information.

For assistance, visit the Registration Information Center at the Registrar's Office (first floor of Guenther Enrollment Services Center) or contact the Registration Information Center at 518-629-7700 or studenthelp@hvcc.edu.
