2. You may take the course with a permit/license from another state but will not receive a licensing waiver unless your state recognizes the NYS program. Please check with your DMV prior to course.
3. Any potential student who possesses a license that has been restricted due to one or more convictions for driving while impaired may not participate in any NYSMSP Rider Course until all restrictions to the license have been lifted. It is your responsibility to know this before you register, not ours.
