3 Wheel Basic Rider Course for License Waiver (3WBRC-LW)

The Motorcycle Safety Foundations (MSF) 3-Wheel Basic Rider Course is taught on school-provided 3-wheel training units that have two wheels in the front and one in the back. You may bring your own street legal 3-wheel motorcycle to the class if you prefer. Proof of current registration, inspection and insurance are required. Motorcycle/side-car rigs and sit-in car-style 3-wheel vehicles are not permitted in the class. No experience is necessary. **If you plan to ride a 2-wheel motorcycle, you must take the BRC or BRC-2 for license waiver course.**

Course Participant Eligibility: Any individual, 16 years of age or older, who wishes to participate in a (New York State Motorcyclist Safety Program) course **must possess a valid driver's license.**

Under 18 Students: The motorcycle course waiver and indemnification form must be signed by a parent or guardian and **notarized.** You will not be allowed to ride without it and no refunds are given. Call (518) 629-7339 to receive the form. It is **your** responsibility to obtain the waiver forms. NYS Graduated licensing laws apply to licensing waivers. Successful completion of this course will earn you a waiver for a 3wheel only motorcycle license. This road-test waiver does not apply to 2 wheeled motorcycles.

To qualify for the NYS 3 Wheel ONLY Motorcycle Road Test Waiver (Completion Card) - Per NYS DMV Regulation

- Students must possess a valid NYS driver's license. Upon successful completion of the 3-Wheel Basic Rider Course, a NYSMSP 3 Wheel only road test waiver card will be issued. You take it to NYS DMV, apply for the motorcycle permit, if you do not have one, present waiver card and pay any fees. You will immediately receive the 3 Wheel only "M" License, added to your Driver License. Graduated licensing laws apply to persons under age 18.
- You may take the course with a valid driver's license from another state but will not receive a licensing waiver unless your state recognizes the NYS program. Vermont and Massachusetts currently accept this waiver. You are responsible for ensuring that your home state licensing board accepts the NYS license waiver prior to registering for course.
- Any potential student who possesses a license that has been restricted due to one or more convictions for driving while impaired may not participate in any NYSMSP Rider Course until all restrictions to the license have been lifted. It is your responsibility to know this before you register, not ours.
- Questions regarding restricted or conditional licenses or any DMV regulations should be directed to Maggie (518) 857-2099 or to your local DMV office.
